Wedding Suites

With the choice of 2 purpose designed function suites
there is a space to host your dream day perfectly.

Cairn Suite

A room created to dine, dance and celebrate in style

Our newly renovated Cairn Suite is our fully contained function room with adjoining private bar and patio area that leads out to our extensive gardens.

The bespoke interior is warm and welcoming with two large crystal chandeliers that double as attractive centrepieces during the day and add atmosphere at night with their colour changing options.

Coupled with the built-in illuminated dance floor there is little need for much additional decor.

What's more you can choose to say "I do" in the Cairn suite as it is perfectly suited to host your ceremony as well as your wedding breakfast and your evening reception.

"The room is just stunning, I can't wait for our wedding day"
A Ford

Ceremony and Meal Capacity: 130 Guests
Evening Reception Capacity 180 Guests

Victoria Suite

A touch of French inspired luxury

The Victoria Suite is our smaller function room but certainly leaves a big impression.

Inspired by the grandeur of French Châteaux, the interior design has luxurious neutrality and modern touches throughout whilst remaining true to the hotels Scottish roots.

The Victoria Suite is equally suitable for ceremonies and smaller, more intimate wedding celebrations with the choice of multiple tables or a large banquet style layout.

“The wedding day went perfectly, I wish we could do it all again.

All our guests were so impressed with the newly refurbished rooms which have been beautifully decorated.

We couldn't have asked for anything better, such a lovely day”
